To

The Chief Secretary to the
Government of Mysore.

Sir,

I have the honor to forward for orders of Government the accompanying bill dated 24th October 1892 for Rs 70/- submitted by Hospl Apprs. P. S. Ramachandra Iyer Calculated at Rs 10/- per mensem for 7 months i.e from the Month of March to September 1892 for locating the sick at Berur without prejudice to his duties at Kadur.

The Deputy Commissioner Kadur Distt states in his No 677 dated 26th November 1892 with the Concurrence of this Office that he is in favour of the Hospital Apprentice being allowed Rs 8/- a Month instead of Rs 10/- as Claimed by the Hospital Assistant who in his No 165 of 6th instt (enclosed herein along with the Dy Comm letter referred to) declines to accept

sum on the ground that his duties at Berar are onerous, that it was the intention of the former Dy Commissioner (Col: Campbell) to give him 10 Rs a month, that the Municipality of Berar is willing even now to pass this sum, and that in the Dewans reply to the Representative Assembly in 1891 an allusion was made of Rs 10/- a month to the Hospital Assistant at Berar.

No 165

Sir, With reference to Surgeon's No
35-91 Dt 30/11/92 forwarding Kadur
Deputy Commissioners No 677 Dt 26/11/9
recommending for mileage for attendin
Bhrin Dwice a week instead of Rs 10,
is charged now in the enclosed Bill,
to bring the following for the kind
Consideration of the Senior Surgeon
Deputy Commissioner.

Though the order of the Senior Surge
was to attend Bhrin Dwice a week
though I have been charging Rs
for the same, but it has many
time happened that I had to f
my visits beyond the prescribed a
on account of some poor patients
cases were to be looked after mor
twice a week. This I did in ord
the loss of many a poor patient
to make myself popular with
branch Dispensary. To do so
prejudice to the duties at Kadur
leave Kadur in the morning at 5
or in the afternoons between

my own cash, which I solely maintain for the sake of Birur duty.

2. It was originally proposed by the Hon Civil Surgeon P.J. Achyuta Rao, and by the Hon Dy Comr Col Campbell to give the Hospl Asst at Kadur Rs 10 plus travelling Expenses for attending Birur; moreover the Municipality of Birur has proposed the same and is even now willing to do so.

3. Also I humbly beg to quote the Dewan's Reply when it was proposed in the Representative assembly of 1891 about Birur Dispensary.

"The Deputy Commissioner states that it is proposed for the present that the Hospl Asst at Kadur should visit Birur twice a week, the Birur municipality paying him an allowance of Rs 10 per mensem & travelling Expenses and procuring a small building &c."

4. Besides in many places like Harihar pur, Sullabyle and Belur, Hospl Asts are paid Rs 10 for attending on coolies at Bridge works. The duties involved in me in attending to a large town as Birur whose population is more than 5000, are, in my humble opinion, more than those involved in attending to coolies mentioned above.

The D.P.W. is paid as horse allowance. I maintain a cart and bulls, for Birur duty alone.

In Conclusion, I therefore, humbly pray the Senior Surgeon and the Deputy Commissioner to reconsider my almost prayers and sanction Rs 10 as allowance with travelling &c.

I beg to remain

With reference to the above observes that the Hospital Assistant admits in his Petition that he had ch travelled

In reference to the Station Sanitations No 4002, I beg to forward the Statements called for therein and beg to observe that I have paid extra visits to Zaria without the least prejudice to my duties at Kaduna. Berur Branch Dispy - Para 2

Read order No 111 dt 6.10.92 received from the Commr. regarding the continuance or otherwise of the Hospl. Asst at Radur coming Berur in connection with the Branch Dispy. temporarily opened there.

It has been of immense advantage by the distribution of medicines twice a week viz Saturday and Wednesday by the Hospl. assistant who comes from Radur for the purpose.

We are of opinion this should be continued until a Dispy. is sanctioned permanently here, as it will be very useful to the public.

As already decided by the Board (after discussion) we see no objection to the Hosp. apd getting Rs 10/- a month from the municipal fund as his travelling allowance from date of commencement of his travelling.

People are anxious to have a dispy. established permanently. As this is to be done hereafter the question of payment of travelling allowance of Rs 10/- a month to the Hosp. apd by from the Local Funds will have from 1893-94 to be considered by the Local Fund Board.
